

# Community College Healthcare Programs Greater Sacramento Region

## Facts for Students

As our population ages, and laws like the Affordable Care Act help more people get access to medical care, the Sacramento region will need people with the skills to provide nursing, therapy, and other health-related services. To meet this demand, we need more trained health care workers. Could a career in healthcare be right for you?

**Growth in Healthcare: Projected to increase by 12% over the next 5 years**

(Source: Centers of Excellence Healthcare Workforce & Opportunity Profile for the North Region, 2020)
