

## **ADDENDUM 2**

### **RFQ FOR PRECONSTRUCTION & CONSTRUCTION MANAGEMENT SERVICES SOUTH TOWER PROJECT**

This Addendum is part of RFQ Documents for the subject project issued April 30, 2025. The following changes shall be made to the RFQ documents. All other conditions shall remain the same.

REVISE the following item on the RFQ document as follows:

- 1) Selection Criteria, Item 2 - Construction Management/Construction Administration Services shall be revised to read:

Previous experience that demonstrates success in completing projects of similar scope, complexity and cost, on time and on budget, including comparable projects completed by the proposed team within the last 10 years. Projects currently in construction, managed by the CM, where the CM had a role in planning/design are acceptable. Experience in projects requiring OSHPD (HCAI) and/or State Fire Marshall review and approvals is required. This experience must be demonstrated for the specific personnel proposed for assignment to this project.
