

J-1 Approved List of Non-Standard Training (NST) Programs

This is a list of the UCDH GME programs eligible for NST recognition. In order to sponsor a trainee with a J-1 visa, the program must complete the NST application with the GME Office.

UCDH Program Name	ACGME NST Program Name (Focus Area)	UCDH/ACGME Most Closely Matched Specialty/Subspecialty
Abdominal Organ Transplant Surgery	Abdominal multi-organ transplantation surgery	Surgery
Acute Care Surgery	Trauma and Acute Care Surgery	Surgery
Advanced Cardiac Imaging	Advanced cardiac imaging	Cardiovascular Diseases
Advanced Minimally Invasive & Robotic Surgery	Minimally Invasive and Robotic Surgery	Surgery
Behavioral Neurology & Neurodegeneration	Behavioral neurology	Neurology
Breast Imaging	Breast imaging	Radiology
Burn Surgery	Burn surgery	Surgery
Cardiac Interventional Structural Heart Disease	Structural heart disease	Interventional Cardiology
Cardiothoracic Imaging	Cardiothoracic imaging	Radiology
Emergency Medicine Medical Education & Simulation	Clinical Simulation in Emergency Medicine	Emergency Medicine
Facial Plastic & Reconstructive Surgery	Facial Plastic and Reconstructive Surgery	Otolaryngology
Gastroenterology Advanced Endoscopy	Advanced Endoscopy	Gastroenterology
GI/Liver Pathology	Surgical Pathology (Gastrointestinal and Liver)	Pathology
Gyn/Breast Pathology	Surgical Pathology (Gynecologic and Breast Pathology)	Pathology
Head & Neck Oncology	Head and Neck Oncologic Surgery	Otolaryngology
Laryngology	Laryngology	Otolaryngology
Movement Disorders	Movement disorders	Neurology
Neuroendovascular Surgery	Central Nervous System (CNS) Endovascular Surgery	Neurological Surgery
Ortho Spinal Disorders	Adult and Pediatric Spinal Deformity in Orthopaedic Surgery	Orthopaedic Surgery
Spine Surgery	Spine surgery	Neurological Surgery
Transplant Nephrology	Transplant nephrology	Nephrology
Ultrasound	Ultrasound in Emergency Medicine	Emergency Medicine
