Philosophy of Care:

I believe that collaboration and open communication are essential to delivering compassionate, patient-centered care. With over 15 years of experience in Orthopedics and Hand Surgery, I am committed to providing exceptional care by thoroughly explaining injuries or conditions to my patients and helping them understand their treatment options, including surgical interventions. My approach to care is grounded in empathy and respect, treating every patient with the dignity they deserve while working closely with multidisciplinary teams to ensure the best possible outcomes. I am honored to work alongside excellent physicians and APPs at UC Davis Health.
