

# Earth Month

UC Davis Health celebrates Earth Day all month long with exciting events and a virtual bingo challenge for employees and students.

## Light Rail Field Trip

Tuesday, April 22 | 12 – 1 p.m.

Never taken the light rail before? Now is your chance to try it for free with guidance from UC Davis Health's transit experts. Join the Green Commuter Program team for a field trip on the Gold Line Light Rail. Lunches will be provided.

[Registration Required](#)

## Earth Month Celebration

Wednesday, April 23 | 11 a.m. – 1 p.m.

Stop by the **Education Building Rotunda** (outdoor breezeway) to learn about sustainability at UC Davis Health. You can also plant your own herbs!

Meet local sustainability representatives from:

- UC Davis Bike Barn
- Sacramento Regional Transit
- Commute with Enterprise
- SMUD

## Sustainability Walking Tour

Thursday, April 24 | 12 – 1 p.m.

Join the Director of Sustainability, Kristina Bair, and Sarah Janus on a walking tour around the beautiful medical center campus. Learn about more than a dozen sustainable points of interest, covering approximately one mile. No reservation is needed! Simply pop on your sneakers, grab a (reusable) water bottle, and **meet at the corner of 45th and X St.**

## Earth Month Bingo Challenge

April 1 – April 30

Celebrate our planet all month long by participating in the bingo challenge! Complete five sustainable actions to help our Earth and enter a prize drawing for a backpack or water bottle sling bag, both of which are made from recycled materials.

### How to Play:

1. [Download the bingo card](#) and check off your sustainable actions throughout the month.
2. Complete five actions in a row, column, or diagonal to get a bingo.
3. Submit your response by April 30 to be entered into a prize drawing.

Earn a bonus entry when you submit a photo of yourself completing an action or attending an Earth Month event.
