

Distinguished Lecture Series  
in Physiology

**William J Spain, M.D.**

Professor and Director, Epilepsy Center of Excellence, VAPSHCS  
Department of Neurobiology and Biophysics  
University of Washington

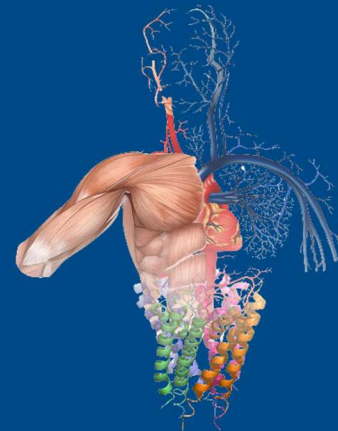

**“Function and  
mechanisms of neuron  
dynamics: role in slow  
cortical-circuit  
oscillations”**

Thursday, November 14, 2024  
GBSF and Zoom  
12 p.m.

November  
**14**

**William J. Spain, M.D.**  
Professor and Director, Epilepsy Center  
of Excellence  
Department of Neurobiology and Biophysics  
University of Washington

Host: Fernando Santana
